BLACKSTAR

Blackstar

Many people still think Oldsmobile is long gone, but no. We are on the go for the future. Oldsmobile is very much alive and well, as one of the world's most innovative companies. And now we are proud to present our car for the future: Blackstar.

A photograph of a forest path. The path is made of dirt and small stones, leading into the distance. The trees are tall and thin, with sunlight filtering through the canopy, creating a warm, golden glow. The ground is covered in moss and fallen leaves. A dark, semi-transparent rectangular box is overlaid on the left side of the image, containing the text.

History

Oldsmobile is a brand of American automobiles produced for most of its existence by General Motors. Olds Motor Vehicle Co. was founded by Ransom E. Olds in 1897. It produced over 35 million vehicles, including at least 14 million built at its Lansing, Michigan factory alone. Today we are starting a new chapter. BlackStar, Is the future car.
